will be started early in November with the steel steamship Pawnee, lately converted from coal to oil burning at the plant of the Tletjen & Lang Dryocck Company in Hoboken by the installation of Todd mechanical oil burners. Later the Delaware, a sister ship, will be added to the run. This Miami branch of the Clyde Line will connect with the main line at Jacksonville, giving four sailings a week from New York.

Members of the Far East Conference slump is increased competition from Germany, which is sending products into Japan at prices American manufacturers and shipping companies are unable to meet. Reports from the Pacific were that all but one Japanese line have decided to come into the transfer of the companies. cided to come into the new rate agree-ment with a cash forfeit to guarantee conference tariffs. Hopes are enter-tained that the consent of this line will be obtained before the general meeting, scheduled for October 30.

A meeting of the newly organized of Brooklyn, a member of the House Committee on Merchant Marine and Fisheries, will give a talk on the chances of the ship subsidy bill. Motion pictures will be supplied by the General Electric Company. All interests are invited.

Miss E. E. Vick resigned yesterday as administration secretary of the York office of the Shipping Board.

The steamship President Garfield of the United States Lines sailed for London yesterday loaded to the with 8,000 tons of cargo, the largest carried by any of the London vessels of the line.

The Williams Steamship Company announced yesterday that the cargo of grapes on the steamship Kennicott, in Sunday from the Pacific coast, arrived in satisfactory condition, thus establishing the value of the Lane preservative process, which is said to maintain the freshness of fruit through the introduction of a gaseous compound in the hold of the ship. The previous cargo, as the Willpolo, had been damased because the humidity of the Canal Zone had not been gauged accurately, it was said.

The Cosmopolitan Shipping Compans announces that, effective October 6, the limit of liability per piece of cargo has

The Cosmopolitan Shipping Company announces that, effective October 6, the limit of liability per piece of cargo has been raised in its bills of lading from \$100 to \$250.
